Before Nightfall on Halloween

As interest in Halloween decorations and activities seem to increase each year, the range of factors affected by the holiday seems to grow as well. The following tips may help make your holiday a pleasant one:

- A good meal prior to parties and trick-or-treating will discourage youngsters from filling up on Halloween treats.
- Consider fire safety when decorating. Do not overload electrical outlets with holiday lighting or special effects.
- Keep jack-o'-lanterns and electric lamps away from drapes, decorations, flammable materials, or areas where children will be standing or walking.
- Confine, segregate, or otherwise prepare household pets for an evening of frightful sights and sounds. Be sure that all dogs and cats are wearing collars and proper identification tags.
- Remind all household drivers to remain cautious and drive slowly throughout the community.
- Adult partygoers should establish a designated driver.
